

It began with a simple gesture by Mary Lou Larkin, PNP, in a gallon size ziplock bag in 1999; a bag that contained life saving articles: alcohol wipes, a pair of medical gloves, a bar of soap, a new razor, a piece of twine, a newborn baby hat and baby blanket, simple and expensive but a bag that would save hundreds if not thousands of lives over the last twenty years.

In the fifth year of having a full equipped birthing room and a registered nurse midwife, Miriette Solomon, the clinic delivered 58 healthy babies in 2017. Below are two of the babies that were born in the fall of 2017.

The clinic not only delivers babies but also attends to the prenatal and post-natal care of mother and baby, see from 200 - 300 patients per month with various ailments from high blood pressure, AIDS/HIV, malaria, just to name a
